"Spring Seedtime in Estonia"

May 20, 2008

Dear All,

It may be cliché to say "a picture is worth a thousand words", but it seems to be true when we want to share with you the joy of answered prayer. In our April 27th newsletter with the theme, *"The farmer sows the word ..."* (Mark 4:14), we asked for your prayers for our Heavenly Father who knows the hearts of people to find us hearts with good soil so seeds could be planted during our Spring Retreat and after. He has blessed. Our brothers and sisters in Christ here in Estonia were able to bring many visitors. Ron shared lessons about "The Good Shepherd" which were very well received. During the discussion group time Bibles were opened, visitors asked their questions, and members shared their faith.

When you click on the link below and then click on Slide Show, you will see the faces of brothers and sisters you have grown to know, whether you have met them in person or not. You will also see new faces that we pray will become familiar because the seeds planted just might grow into a crop of faith that our Heavenly Father can harvest. There are comments with each individual photo, but they don't show up in the slide show. If you want to know more about a photo, click on the individual photo in the Album format where all photos are shown as thumbnails.

Thank you so much for your prayers prior to the Spring Retreat. Now, we enthusiastically urge you as you look at the names and faces to pray specifically for each one. All of us in the church out here will follow up and encourage in person, but your prayers will add so much. God will bless as He has promised! We know it is His will that not one will perish! It is His will that everyone comes to a knowledge of His Son, the Savior of all who will follow Him and do His will.

Loving you in Him,
Ron & Judy
